

ERRORS OR OMISSIONS

ADDITIONAL CLAUSE

Subject to the General Conditions of the Policy, it is understood and agreed upon that any accidental error or omission in the description of the covered property shall not prejudice the Insured's interest, as the sole intention of this document is to grant full protection at all times, but not exceeding the limits established in the Policy and without considering any additional coverage or location. Henceforth, any accidental error or omission shall be reported by the Insured to the Company when discovered and corrected, and the corresponding adjustment to the premium shall be effected, if any, subject to the tariff approved by the National Insurance and Surety/Bonding Commission.
