

## VEHICLE PARKING LOT OR GARAGE LIABILITY

### ADDITIONAL COVERAGE

By means of the obligation of payment of the corresponding additional premium, in accordance with stipulations in the Individual and General Conditions of the Policy, within the scope thereof and as per Specification thereof, the following liability is covered:

- 1 If the service is rendered in closed or fenced premises, having admission control, with registration and identification of each vehicle's entrance and exit. This coverage shall not be effective if the service does not operate under the above bases.
- 2 If the parking lot is rendered by valet parking, the damage sustained by the owners of vehicles shall only be covered as a result of:
  - 2.1 Fire or explosion
  - 2.2 Total theft of vehicles or loss thereof due to breach of trust.
  - 2.3 Collision or upset (only if at the time of loss, the valet parking has a driving license in force issued by the competent authority).
- 3 If the parking lot has no valet parking system (self-service), the damage sustained by the owners shall only be covered as a result of:
  - 3.1 Fire or explosion
  - 3.2 Total theft of vehicle or loss thereof due to breach of trust.
- 4 Limits of liability per automobile and for the insurance term are indicated in the Specification of the policy.

In every loss, the Insured shall participate with the deductible indicated in the Specification of the Policy.
