

FLOOD AND MOOD IN PUBLIC POWER STATIONS.

ADDITIONAL COVERAGE

Subject to payment of the additional premium established in the Specification of the Policy, the insurance shall be extended to cover loss of damage to the items insured caused by flooding or blockage as a result of damage to pipes through which the machinery is supplied with water, as well as shut-off valves and return pumps, for which the Company is liable under the conditions of the Policy.

The Insured Sum under this clause shall not exceed the limit established in the Specification of the Policy.

The Insured shall always pay the deductible established in the Specification of the Policy.
