

## **RADIOACTIVE CONTAMINATION EXCLUSION CLAUSE**

The provisions of this clause shall prevail over any other stipulation or provision of the Policy to the contrary.

1. Under no circumstances shall the insurance cover loss, damage, liability or expenses that are directly or indirectly caused by, due to or that are derived from:
  - 1.1. Ionizing radiation or radioactive contamination caused by any nuclear fuel or nuclear waste, or the combustion of a nuclear product.
  - 1.2. The radioactivity, toxicity, explosivity or any other hazardous or contaminating property of any nuclear installation, reactor, or any nuclear component thereof.
  - 1.3. Any weapon of war that uses nuclear or atomic fission and/or similar radioactive reaction, force or material.
