

PRODUCTS AND COMPLETED OPERATIONS LIABILITY

ADDITIONAL COVERAGE

By means of the obligation of payment of the corresponding additional premium, in accordance with provisions in the Individual and General Conditions of the Policy, within the scope thereof, and when indicated in the Specification of the Policy, the Liability incurred by the Insured is covered as a consequence of damage to third parties caused by products manufactured, delivered, supplied, or by works carried out during the term of the insurance, provided that such damage is derived within such term and from an immediate direct damage.

In case of insurance termination, whatever the cause may be, the coverage for damage occurring subsequently shall also cease, even though these damages may be occasioned by products or works delivered or carried out during the Policy term.

The risks arising from delivery, supply or performance of works carried out before the inception of the policy shall be covered only by express agreement, as indicated in the Policy Specification. The retroactive period shall be indicated in the Policy Specification.

This coverage shall also insure liability derived from property damage caused by products delivered or supplied by him to products of third parties as a result of combination or mixture therewith, or elaborated with his products intervention. The Insured shall participate in every claim with the deductible indicated in the Specification of the Policy.
