

AIR FREIGHT EXTRA CHARGES

ADDITIONAL COVERAGE

Subject to the General and Special Conditions of the Policy, and to the previous payment of an extra premium on behalf of the Insured, it is understood and agreed upon that the Company shall cover the extra charges for Airfreight, provided that such charges are incurred in the repair of the property damaged under items I and II of the Particular Conditions of this section.

In each claim for the charges insured by this coverage, the Insured shall always be charged the 20% of the charges for air freight.

The limit of liability shall be such indicated in the Specification of the Policy.
