

PROFESSIONAL FEES, BOOKS AND REGISTERS

ADDITIONAL CLAUSE

This endorsement is extended to cover the fees to architects, engineers, land surveyors, and public accountants, including the loss or damage to accounting books, drawings, files and other registers.

Nonetheless, in no event shall the coverage exceed the cost of books or any other blank material plus the cost of labor incurred by the Insured to transcribe or copy such records; legal costs corresponding to maps, specifications and services related with the replacement or reconstruction of the property covered under this Policy, provided that the total amount of the paid loss does not exceed the Sum Insured for damaged property.

No other cost related with the preparation of Insured's claim shall be covered by this insurance.
