

METAL CABLES AND NON-ELECTRICAL CABLES.

ADDITIONAL COVERAGE

It is understood and agreed that subject to payment of the additional premium established in the Specification, and in addition to the exclusions, clauses and conditions of this Section or the endorsements herein, this coverage shall be extended to cover loss of or damage to metal cables and non-electrical cables, provided that the machinery to which they are incorporated is insured, and that said loss or damage is caused by an accident covered under this Section (the corresponding exclusion in the Policy shall be cancelled whenever applicable).

In the event of an incident, the amount that may be claimed for the cables affected shall be depreciated at an annual rate that shall be determined at the time of the loss. This rate shall be no less than 25% per year, or no greater than 75% overall.

NON-ELECTRICAL CABLES OF CABLE RAILWAYS FOR INDUSTRIAL USE ARE EXCLUDED.
